The Refreshments

from:Fizzy Fuzzy Big & Buzzy
tabbed by:J-Punk

NOTES:

4/4 with a triplet-type shuffle. I m not trying to act like a music genius or anything,
but this is a mid-fast tempo song that feels kinda half-time cuz the chords are held for
2 bars in the intro/verses. Don t take this tab to heart! These (as with all songs I tab out)

RIFFS:

riff 1 x3

e:--3-2-----|-0----|-----|-----|

B:-----3---|---3-*|-3/5-3---|-3/5-3-0-----|play riff 1 & rythym 1 (both x2)

-->Play riff 2 & rythym 2 (both x1) over:

Well the fact of the matter
There aren t no back seat found
Take it further
It doesn t matter
Well out here on the border
Ants drag bones across the hot dry ground
Told me there at the trailer park
They got a million souls at the lost and found

-->Play riff 1 & rythym 1 (both x1)

-->Play riff 2 & rythym 2 (both x1) over:

Well you should have known better
Dead thoughts and lost horizons
And to take it further
It don t get any better
Well out here on the border
Ain t nobody asking questions
No I don t need a miracle
But I could use a push in the right direction

-->Play rythym 3 (x1) over:

Handgun and a bottle of booze
and a 69 Ford and a new pair of shoes
Left from Boise Idaho 95
So when they crossed the state line
They were just in time to fall
Asleep at the wheel

-->Solo for 16 bars over rythym 2 (x1)

-->Play riff 1 & rythym 1 (both x1)

-->Play riff 2 & rythym 2 (x1) over:

Last back doesn t matter

Never was no back seat found
And to take it further
It never really matters
Well out here on the border
Ants drag bones across the hot dry ground
Told me there at the trailer park
They got a million souls at the lost and found

-->Play rythym 3 (x2) over:

Handgun and a bottle of booze
And a 69 Ford and a new pair of shoes
Left from Boise Idaho 95
So I was just in time to miss
The 5:00 o clock news
5:99 and a stone cold feelin
I had a bottle of wine
I was feelin just fine
And when I crossed the state line
I was just in time
To fall asleep at the wheel

-->Solo for 16 bars over rythym 2 (x1)

Handgun and a bottle of booze
And a 69 Ford and a new pair of shoes
Left from Boise Idaho 95
So I was just in time to miss
The 5:00 o clock news
5:99 and a stone cold feelin
I had a bottle of wine
I was feelin just fine
And when I crossed the state line
I was just in time
To fall
