Ebm G#m E Ebm
The moments in between the words I hear you speak
Ebm G#m E Ebm
Desolate and clear, leave me feeling weak.
Ebm G#m F#m E Ebm
And I just want to see a beautiful world in my dreams.
Ebm G#m F#m E Ebm
But all I see is me in the center of all I see.

Ebm B G#m C#
Now I feel like a constant, a world that is fading.

Ebm G#m B Bbm G#m C#
All I ve been taught to recall simply fails to persuade me.
Ebm G#m
The attempts to stay while it heals,
B Bbm G#m C#
And the only way back is screaming the words

B Ebm F# B
Oh my God. What have I become.
Ebm F# B
I feel this fire burn.
Ebm F# B Ebm F# B
Burn till I m undone, never to return.

B C# Ebm G#m E Ebm
Ooohhh.

Ebm G#m E Ebm
I remember when we were heaven sent
Ebm G#m F#m E Ebm
And stars that filled the sky drew a line between you and I.

B Ebm F# B
Oh my God. What have I become.

Ebm F# B
I feel this fire burn.

Ebm F# B Ebm F# E
Burn till I m undone, never to return.

E Ebm E Ebm
I hear your voice reply as I clear myself inside.

B Ebm F# B
Oh my God. What have I become.

Ebm F# B

B Ebm F# B
There s nothing like living asleep it s a constant dream
(What have I become.)

(I feel this fire burn.)

Ebm F# B
Like the first time that my gaze fell upon this place
(Burn till I m undone)

Ebm F# B
I ve felt shuttered to feed what I ve become.
