Title: Cartwheels  
Tabbed and Submitted by Justin Cheong

- Standard Tuning EADGBE
- mute E string with left hand thumb while playing
- Not sure if first chord is actually Dm. Dm sounds alright, but should be something else.

**C** - X32010

VERSE:

**Dm F C**  
I cannot dare to look  
**Dm F C**  
At exactly what you took  
**Dm F C**  
I give it time to breath  
**Dm F C**  
And wipe its tears on my sleeve

CHORUS:

**Dm**  
And it will break my heart  
**F C**  
With every sound it makes on you  
**Dm**  
And it s all over dear  
**F**  
You squeeze my hand and I  
**C**  
I know it s true

VERSE:

**Dm F C**  
His little hand round my thumb  
**Dm F C**  
Makes me warm and numb  
**Dm F C**

I hold my breath and smile

**Dm F C**

And hope it stays for awhile
