Lyrics:

You are the only one for me
And I have found you.
Able to be tough and yet so sweet.
I found you.

Fell into my arms
As we won it all,
And I adore you
I care more than I know I really should
So I implore you
If you love me youâ€™ll let me go
If you love me youâ€™ll let me go
Weâ€™ve been through thick
And survived things others canâ€™t imagine
I would gladly give my life to preserve your magic
The Boy-Who-Lived, the Chosen One
And I choose you
I wish it werenâ€™t so, love
But, Ginny, thereâ€™s only one thing to do
Of you love me, let me go
If you love me, let me go
