(It stays the same for the rest of the song)

We ve been watching this world slip into darkness
your hand in mine my only light
We speak so much about making a difference
this is our one and only chance
Now I m through standing in the shadows

I just wanted you to be proud
And I would die to give a world where
you could live a happier life

Count down I ll be home before you know it
Count it backwards from 10
Count down I ll be home before you know it
Count it backwards from 10
