Bm
I have written enough
G
I ve enough to sing
D
For a song of remembering
Bm
Everything moves
G
Everyone s laughing
D
Moving through the city of passing
Bm
I ve written enough
G **D**
Enough for a while
Bm
I ve written enough
G **A**
Enough for a while

G
And everyone moves
 D
Beyond the past
 G
Everything moves
 D **G**
but outside these photographs
 D
everything dies
 G
The cycles of time

Everyone is
A
passing, passing, passing, passing through

Bm, G, D, D, C#/D

Bm

I remember these streets

G

I remember these faces

D

No-one here ever ages

Bm

Angels fronting machines

G

Crowding the streets

D

There must be some kind of factory where

Bm **G**

The angels are made

D

To just be replaced

Bm **G**

I've written enough

A

Enough for today

G

And everyone moves

D

Beyond the past

G

Everything moves

D

G

but outside these photographs

D

everything dies

G

The cycles of time

Everyone is

A

passing, passing, passing, passing through
