Talent Show -- The Replacements

This is the opening bit on the acoustic. Pretty easy, just bar the open A chord so that you can bounce up and down on the second fret for the F# note and have your pinky ready to hit the G# note on the 4th fret.

```
0---2---0-----2---4---2---0---2-|
2---2---2-----2---2---2---2---2-|
2---2---2-----2---2---2---2---2-|
2---2---2-----2---2---2---2---2-|
0---0---0-----0---0---0---0---0-|
-----|
```

This is repeated throughout the song where I have the A chord. The lead line just does very minor variations on the 0-2-0-2-4-0-2 stuff on the high E string.
