[Verse 1]

F#m E Bm E x2

F#m E  
We ve been waiting all our lives  
Bm E  
For things we ve always had but have no eyes to see  
F#m E  
Something new is going to happen  
Bm E  
The most natural thing but nothing we d expect

[Chorus]

Bm D  
All these buildings and mountains  
C#m Em D  
Slowly they ll arise before our eyes

[Verse 2]

F#m E Bm E

F#m E  
How do cities understand  
Bm E  
We drink our wine and wonder why we re really here  
F#m E  
What s the point of even asking  
Bm E  
You take the good and bad and you make the best of it

[Chorus]

Bm D  
All these buildings and mountains

C#m Em D

Slowly they ll arise before our eyes

Bm D

All these buildings and mountains

C#m Em D

Slowly they ll arise before our eyes

[Verse 3]

F#m E

Have you watched the cities move

Bm E

Does nature fall before this age of industry

F#m E

But for today I ll let it go

Bm E

You ve been good to me have I been good to you

[Chorus]

Bm D

All these buildings and mountains

C#m Em D

Slowly they ll arise before our eyes

Bm D

All these buildings and mountains

C#m Em D D

Slowly they ll arise before our eyes
