

**Bm**                                    **D**  
When I need you to be with me

**A**                                    **E**  
I end up on my own

**Bm**                                    **D**  
Oh, I wish that I could move you

**A**                                    **E**                                    **Bm**  
Faster, be still or rewind

**Bm**                                    **A**  
But it s a matter of time

**Bm**  
My love, (why can t we go back there?)

**D**  
My fate, (are we beyond repair?)

**A**  
A year; (it s not so far away)

**E**  
Too late, (can we start over again?)

**Bm**  
If he could see, ( what he could be with me)

**D**  
Me now, (that I feel differently)

**A**  
I ve come, (he ll see I ve come)

**E**  
Around

Chorus

**Bm**                                    **D**  
When I m trying to outrun you

**A**                                    **E**  
You won t leave me alone

**Bm**                                    **D**  
When I need you to be with me

**A**                                    **E**  
I end up on my own

**Bm**                                    **D**  
Oh, I wish that I could move you

**A**                                    **E**                                    **Bm**  
Faster, be still or rewind

**Bm**                                    **A**  
But it s a matter of time

Instrumental:

**Bm, D, A, E** etc. Whatever sounds right to you. I just play those chords.

**Bm**                                    **D**  
Oh, I wish that I could move you

**A**                                    **E**                                    **Bm**  
Faster, be still or rewind
