A **B** **C#m**
 Here you are, I ve waited so long

 And with the stars, I ve been dancing along
A **B** **E**
 Like a fool, so you d look my way
A **B** **C#m**
 You re the moon that glows in the sky
A **B** **E**
 Lighting up my world when it s blue
A **B** **C#m**
 And here I sing, though late in the night
A **B** **E**
 Hope you know I sing just for you
