**The Rifles**

HEEBIE JEEBIES- THE RIFLES

Standard tuning

Capo 2nd fret

Intro: **E**

**E**

I got the heebie jeebies early in the morning

**E**

I got the shaky knees the fears come a-calling

**E A**

When I feel that blood running through my veins

**A**

Right down from my toes to my belly and brain

**A E**

Gotta shake myself jump up in the shower

**E**

Gotta fix my health how many hours

**E A**

Did I spend last night with the whiskey neat

**A**

**B**

In a really big zone on the floor until I lost the beat

**B**

**A**

And now Im incomplete

**A**

**E**

Heebie heebie jeebies

**E**

I get a cardiac arrest every minute

**E**

Gotta jump right out the sh\*t cause Im in it

**E**

**A**

But my mouth goes dry when I try to speak

**A**

Is my mind in charge and its blowing my feet out

**E**

Heaven help, help me recover

**E**

Get a call from Tel and I donâ€™t know the brother

**E**            **A**

Said we met last night about ten to three

**A**

**B**

And put the world to rights in a minute on an empty street

**B**

**A**

And now Im incomplete

**A**

**E**

Heebie heebie jeebies

Guitar solo: **E A E B A E A**

**E**

Now Ive got those heebie jeebies again

**E**

But I guess at what price it depends

**E**

**A**

Cause I know sometimes that youve got to release

**A**

**B**

And Ill be feeling much better when I realise life is sweet

**B**

**A**

I think we all agree

**A**

**E**

You gotta have a good time
