The Rifles - I Could Never Lie Chords

Sounds alright when i play along with it so should be alright,
you can hear this at myspace.com/therifles

Some chords may be far away from the lyrics , thats coz the website is weird ,
its not my fault.

ENJOY!

Intro: **Bb**

Verse 1

Bb

She don t know just what she does to me,

Cm

somewhere deep inside

D#

Bb

And it s not right to leave her not feeling right

Bb

And every time i have her close to me

Cm

i know deep inside

D#

Bb

But sometimes its too hard for me to describe

F

Solo - **Bb** , **Cm** , **D#** (x2)

Verse 2

Bb

Cm

Tears in the morning what a way to start the day,

D#

Bb

And it seems im good at making her sky grey,

Bb

Cm

And i ve got the cure to cure it but its hard for me to say,

D#

F

and all my actions aren t enough to stop all the rain,

F

But i ve never been the type , to tell her how i feel inside so

Chorus

Bb

Cm

So why can't she just see it in my eyes,

D#

Bb

The more that i try to hide i could never lie

Bb

Cm

i don't need to hear say she's mine

D#

Bb

i let my heart remind me time after time

Verse 3

Bb

Cm

Tears in the evening took the smile upon her face,

D#

Bb

And it's all down to the things that i never say,

Bb

Cm

Oh but they lose their meaning if i told you everyday

D#

Bb

Still my actions aren't enough to stop all the rain

F

But i've never been the type, to tell her how i feel inside so

Chorus

Bb

Cm

So why can't she just see it in my eyes,

D#

Bb

The more that i try to hide i could never lie

Bb

Cm

i don't need to hear say she's mine

D#

Bb

i let my heart remind me time after time

Outro - **Bb**, **Cm**, **D#** - and so on..
