A **D**
Windy walks and days in bed, All our differences unsaid,
A **D**
Hand in hand we both entwined, Underneath the dreary grey sky line,
A **D**
and all we think about, is that something we might
A **D** **D**
Have more to think about, oh and less time to decide
D **A**
But if time is on our side then tell me why
E **D** **E** **A**
We have to fall apart, and go around again,
E **D** **E** **A**
I don t know where to start, because we never end
E **D** **E**
We could be Romeo and Julie of our time,
A **E** **D** **E**
If we could only hide the tears we hate to cry

A **D**
Windy walks and days in bed, All our differences unsaid,
A **D**
Hand in hand two hearts collide, Underneath the dreary grey sky line,
A **D**
and all we think about, is that something we might
A **D** **D**
Have more to think about, oh and less time to decide
D **A**
But if time is on our side then tell me why
E **D** **E** **A**
We have to fall apart, and go around again,
E **D** **E** **A**

I don t know where to start, because we never end

E D E

We could be Romeo and Julie of our time,

If we could only see the difference from a heart-ache and a lie
