The Road Hammers

The Road Hammers - Overdrive

Real awesome song for driving on the highway!! :) Enjoy!

##-----##

E

I got eighteen wheels and a polished rig,

I m in a big ol hurry, and I do mean big

A

Gotta get this load to bikini town

E

Before the sun comes up and they shut me down

D A E

O, O, Overdrive

E

Got stopped by the man at a seagul scale

Sidetracked by the waitress at a steak & ale

A

Got waylaid, all day, traffic jam

E

Just south of the border down in alabam

D A E

O, O, Overdrive

(chorus)

D A E D A E

Overdrive, i gotta roll on just to survive

D A E

The only time i feel alive

Is when i kick it into

G A E

O, O, Overdrive

My mama said when I was born I was born on the run

My daddy was a truck driving son of a gun

Got a highway song running through my brains

Got diesel oil pumping through my veins

O, O, Overdrive

(to chorus)

SOLO

(to chorus)

I had a dream last night i was standing still
I woke up, broke out sweating to chill
When the white line stops they better lay me down
In a cab over coffin in a new hard ground
O, O, Overdrive

(finishing chorus)

Overdrive, i gotta roll on just to survive
The only time i feel alive
Is when i kick it into
O, O, Overdrive
I kick into
G A C D E
O, O, O, O, Overdrive
