The Train
The Roches
[Intro]
G7 C F
[Verse]
I sit down on the train
With my big pocketbook
The guitar and a sugar-free drink
I wipe the sweat off of my brow
With the side of my arm
And I take off all that I can
I am trying not to have a bad day
Now, everybody knows the way that is
[Verse]
Even though my baggage and I
Are using up a two person seat
I m not trying to be funny
But the guy who sits down next to me
Is even bigger than that
We are overflowing out of the seat
And I can t look at him, he doesn t look at me
[Chorus]
Once you step on
You might never get off
Of the commuter train
It doesn t go very far away
```

```
But just the same
It s a trip and a half
[Verse]
My face is pressed up against the window
And through it I can see
The reflection of the train
I spy on the big guy sitting next to me
He s drinking two beers
And reading the New York Post
Trying not to get in my way
                                               F
Now, everybody knows the kinda day that is
[Verse]
N.C.
He is miserable
N.C.
And I am miserable
We are miserable
N.C.
Can t we have a party
N.C.
Would he rather have a party
N.C.
After all we have to sit here
N.C.
And he s even drinking a beer
N.C.
I want to ask him what s his name
N.C.
But I can t cause I m so afraid
Of the man on the train
[Chorus]
Once you step on
You might never get off
Of the commuter train
It doesn t go very far away
