

Weeded Out
The Roches

[Verse]

C **Em** **Am**
What is the matter with the weather?
F
How come you don't get any rain?
G **C** **G** **C**
You search the sky for signs of life
Em **F** **G**
But out on the prairie in your dried up corn
C **Cmaj7** **F** **G** **C**
You never felt so weary and you never been this torn

[Chorus]

Em
You're being weeded
Am
You're being weeded
F
You're being weeded
G **C**
You're being weeded out

[Chorus]

Em
You're being weeded
Am
You're being weeded
F
You're being weeded
G **C**
You're being weeded out

[Verse]

Em **Am**
Remember when a couple years back
F
You won the raffle at the dance
G **C** **G** **C**
They made a path, you gave a laugh
Em **F** **G**
How will you find something else where you go
C **Cmaj7** **F** **G** **C**
As hard as a harvest and as heavy as a hoe?

[Chorus]

Em
You're being weeded

Am
You re being weeded
F
You re being weeded
G C
You re being weeded out
