

**Cross My Heart**  
**The Rocket Summer**

The Rocket Summer - Cross My Heart .written by Bryce Avery  
Tabbed By Paul Welsford

This is a very unusual song. FLippin amazing, but also strange.  
there is no real chorus or bridge. there is just a load of different sections  
mised around a bit.

This is my much simplified version for just one guitar to play along with.  
but i will be writing up a more accurate version for 2 guitars very soon.

CHORDS

most of these are basic chords so you shouldnt have to much of a problem.

```

E|--0---0-----0---3---0---2---3-----2---0-----3-----3-----
B|--1---1-----2---3---0---3---3-----1---1---3---5---7---3-----3-----
G|--0---2-----2---0---0---2---2-----2---0---0---0---0---0-----0-----
D|--2---2-----2---0---2---0---0-----0---x---x---x---x---2-----2-----
A|--3---0-----0---2---2-----2---2-----2---3---5---3-----0-----
E|-----3---0-----

```

C   Am   A   G   Em   D   Dsus4   D7   C/B   G/B   C/E   D/F#   Cadd9   Cadd9/A

i ve left the rhythm up to you, better that way than typing something up which  
you might not want to play.  
but i have tried to put the chords in the right places to the lyrics.
