

**Nothing Matters**  
**The Rocket Summer**

I m not completely sure about the second C in the verses and so on because it sounds slightly different to my ear, but as far as I can tell the rest is all correct :)

Tuning: Down one step

Intro: **Em C G C**

**Em**

And back and forth

**C G**

I have come to this, so listen

**C Em**

If you are interested in it

**C**

I hope you re not too busy to miss

**G C**

And this epiphany I just had

**Em C**

And I know it s not too sexy

**G**

That I m singing about the blessings we get

**C**

**Em**

When we give up ourselves for something good

**C**

**G**

It would be bigger than a promotion, motion-motion-motion

**G**

**Am**

Because nothing matters

**Em**

Just tell yourself

**C**

Again and again and again

**G Am**

Nothing matters

**Em**

**C**

But what we offer in love

**Em C**

And just today my boss came in

**G**

And said no way, no way

**C**

We don t have money money money

**Em**

**C**

I got so mad, walked out the studio

**G**

And there was a man quiet and hungry

**C**

Down and out

True story, yeah uh-huh

**Em**

**C**

And I know it's not too sexy

**G**

That I'm singing about the blessing we get

**C**

**Em**

When we give up ourselves for something good

**C**

It would be bigger than a promotion

**G**

**C**

So start the motion

**G**

**Am**

That nothing matters

**Em**

**C**

Just tell yourself, again and again and again

**G**

**Am**

Nothing matters

**Em**

**C**

All of our wealth, again and again and again

**G**

Nothing matters

**Am**

Pride will shatter

**Em**

**C**

Our words will never be enough

**G**

**Am**

Cause nothing matters

**Em**

**C**

So I'll surrender to you love

**Am**

**Em**

And oh how the war wages on

**C**

**D**

The battle of my heart

**Am**

**Em**

The face, the face of truth is what I want

**C**

And all that I've discovered is

**G**

**Am**

Nothing matters

**Em**

Just tell yourself

**C**

Again and again and again

**G** **Am**  
That nothing matters  
**Em** **C**  
All of our wealth, again and again and again

**G**  
Nothing matters  
**Am**  
Pride will shatter  
**Em** **C**  
Our words will never be enough  
**G** **Am**  
Cause nothing matters  
**Em**  
But love

Outro: **Em C G C**

End on **G**
