CHORUS

sorry that I m taken aback  
but how I am you never ask

and I don't need such sympathy  
but a care would be so woah woah  
nice to have once in a while  
you mean more to me than I could ever tell  
so sorry that I'm taken aback  
but I just can't help it

small tale be just right  
holding onto what we have inside  
but now it's never there but should I admit  
do I believe that I too am the culprit  
and in your eyes I can't find you

sorry that I'm taken aback  
but how I am you never ask  
and I don't need such sympathy  
but a care would be so woah woah  
nice to have once in a while  
you mean more to me than I could ever tell  
so sorry that I'm taken aback  
but I just can't help it

someday this will go away  
and everything I am will just leave and fade  
and I hope then you will understand  
it's not everything I am my dear only friend

so sorry that I'm taken aback  
but how I am you never ask  
and I don't need such sympathy  
but a care would be so woah woah  
nice to have once in a while  
you mean more to me than I could ever tell  
so sorry that I'm taken aback  
but I just can't help it  
oooooo oh oh  
oooooo oh oh woah

oooooo oh oh  
oooooo oh oh woah
