Baby Break It Down The Rolling Stones

```
(refrão)
       Baby break it down
       Baby break it down
                                F#
                                     B F#
        We ve got a long way to go
        Α
       Baby break it down
        Е
       Baby break it down
                                F#
                                     В
       We ve got a long way to go
(verso)
        F#
       You re standing on your side
                        F#
        I m standing on mine
       It only needs one step
       And you could be crossing the line
       There s nothing between us
       Or maybe too much
                                              C#
       Whatever it is it s too fragile to touch
(refrão)
       Baby break it down
       Baby break it down
       We got a long way to go
       Baby break it down
       Wrap your love around
       Babe, you ve got a long way to go
(verso)
       And who jumps the fences
       And who builds the walls
       Whoever takes chances must surely fall
(refrão)
```

Baby break it down
Baby break it down
Babe, you ve got a long way to go
Baby break it down
You ll be safe and sound
You ve got a long way to go

(verso)

F#

There s no river running

3

F#

F#

That we can t cross

В

Does one or the other of us

C#

Have to be the boss

(refrão 2x)

Baby break it down
Baby break it down
Babe, you ve got a long way to go
Baby break it down
Wrap your love around
A long way to go
