The Rolling Stones

Intro-**Bb G# Gm Eb Gm Bb Eb**

Couplet:

     Eb
When love comes so late
     Bb
It?ll really hit hard
  G#
It slams through the gate
      Eb
It?ll catch you off guard

And everyone said
what a perfect love match
And she is so smart
She is a hell of a catch

    Gm
I was drinking in love
G#
Gulping it down

Drifting for months
     Bb
On a billowing cloud

But after a while
I start to rebel
I?m back in the past
And I?m raising up hell

Refrein:

    G#
But I think I just made
                 Eb
The biggest msitake of my life
   G#   **Eb**
And I think I just made the biggest mistake of my life

Couplet:

We?d been living together for over a year
The harmony?s perfect, it rang loud and clear
But then very slowly, my nerves start to fray
It?s the little things baby

That?s what they say

I acted impatient, acted unkind
I took her for granted
I played with her mind
She didn?t deserve it, but it was too late
I walked out the door and left her to her fate

Refrein:

But I think I just made
The biggest mistake of my life
But I think I just made
The biggest mistake of my life

Bb G# Gm Eb 2x
Gm Bb Eb

Couplet:

Now I?m down in a slump
And I?m eating alone
I?m rueing the day
With some friends on the phone

I never go out I?m becoming a grouch
I just watch the tv and I drink on the couch

If love comes again I?ll be really surprised
I?ll grab it real fast
Keep it right in my sights

Couplet:

 Cause I think I just made the biggest mistake of my life
Well I think I just made the biggest mistake of my life
Well I think I just made the biggest mistake of my life
