Black Limousine The Rolling Stones (intro) **DAEDAE** (verso) D We used to ride, baby Α Ride around in limousines D We looked so fine, baby Α You in white and me in green D Drinking and dancing Α All inside a crazy dream Е Well now look at your face now baby A E D Look at you and look at me (verso) I get so scared Just to see you on the street They re living dead

You re all the same, you never speak You re wrecked out now Washed up high up on the beach Well now look at your face now baby Look at you and look at me

(instrumental) D A D A E D A E D A D A E D
