

**Blue Turns To Grey**  
**The Rolling Stones**

**C**  
So now that she is gone  
**F** **C**  
You won't be sad for long  
**F** **C** **G/B** **Am**  
For maybe just an hour or just a moment  
**F** **G**  
Of the day  
**C**  
Then blue turns to grey  
**F** **C**  
And try as you may  
**F** **C**  
You just don't feel good  
**F** **C**  
You don't feel alright  
**F** **G**  
And you know that you must find her, find her, find her  
**C**  
You think you'll have a ball  
**F** **C**  
And you won't care at all  
**F** **C** **G/B** **Am**  
You'll find another girl or maybe more  
**F** **G**  
To pass the time away  
**C**  
Then blue turns to grey  
**F** **C**  
And try as you may  
**F** **C**  
You just don't feel good  
**F** **C**  
You just don't feel alright  
**F** **G**  
And you know that you must find her, find her, find her  
**C**  
She's not home when you call  
**F** **C**  
So you can go to all  
**F** **C** **G/B**  
The places where she used to go  
**Am** **F** **G**  
But she has gone away  
**C**  
Then blue turns to grey  
**F** **C**

And try as you may

**F** **C**

You just don't feel good

**F** **C**

You don't feel alright

**F** **G**

And you know that you must find her, find her, find her

**C** **F**

Blue turns to grey (blue turns to grey)

**C** **F**

She has gone away (blue turns to grey)

**C** **F**

I feel so bad (blue turns to grey)

**C** **F**

I wish you'd come on home (blue turns to grey)

**C** **F** **C** **FC**

I feel, I feel so down...
