

Blue Turns To Grey
The Rolling Stones

Bb

So now that she is gone

Eb **Bb**

You won't be sad for long

Eb **Bb** **F/B** **Gm**

For maybe just an hour or just a moment

Eb **F**

Of the day

Bb

Then blue turns to grey

Eb **Bb**

And try as you may

Eb **Bb**

You just don't feel good

Eb **Bb**

You don't feel alright

Eb **F**

And you know that you must find her, find her, find her

Bb

You think you'll have a ball

Eb **Bb**

And you won't care at all

Eb **Bb** **F/B** **Gm**

You'll find another girl or maybe more

Eb **F**

To pass the time away

Bb

Then blue turns to grey

Eb **Bb**

And try as you may

Eb **Bb**

You just don't feel good

Eb **Bb**

You just don't feel alright

Eb **F**

And you know that you must find her, find her, find her

Bb

She's not home when you call

Eb **Bb**

So you can go to all

Eb **Bb** **F/B**

The places where she used to go

Gm **Eb** **F**

But she has gone away

Bb

Then blue turns to grey

Eb **Bb**

And try as you may

Eb **Bb**

You just don't feel good

Eb **Bb**

You don't feel alright

Eb **F**

And you know that you must find her, find her, find her

Bb **Eb**

Blue turns to grey (blue turns to grey)

Bb **Eb**

She has gone away (blue turns to grey)

Bb **Eb**

I feel so bad (blue turns to grey)

Bb **Eb** **Eb**

I wish you'd come on home (blue turns to grey)

Bb **Eb** **Bb** **EbC**

I feel, I feel so down...
