

Blue Turns To Grey
The Rolling Stones

D
So now that she is gone
G D
You won't be sad for long
G D A/B Bm
For maybe just an hour or just a moment
G A
Of the day
D
Then blue turns to grey
G D
And try as you may
G D
You just don't feel good
G D
You don't feel alright
G A
And you know that you must find her, find her, find her
D
You think you'll have a ball
G D
And you won't care at all
G D A/B Bm
You'll find another girl or maybe more
G A
To pass the time away
D
Then blue turns to grey
G D
And try as you may
G D
You just don't feel good
G D
You just don't feel alright
G A
And you know that you must find her, find her, find her
D
She's not home when you call
G D
So you can go to all
G D A/B
The places where she used to go
Bm G A
But she has gone away
D
Then blue turns to grey
G D

And try as you may

G **D**

You just don't feel good

G **D**

You don't feel alright

G **A**

And you know that you must find her, find her, find her

D **G**

I feel so bad (blue turns to grey)

I feel, I feel so down...
