Child Of The Moon The Rolling Stones

Eb G# Eb

The wind blows rain into my face

G# Eb

The sun glows at the end of the highway

Child of the moon, rub your rainy eyes

Bb

Oh, child of the moon

G# Gm Bb7 Eb

Give me a wide-awake crescent-shaped smile...

3# E)

She shivers, by the light she is hidden

G# Eb

She flickers like a lamp lady vision

Bb G#

Child of the moon, rub your rainy eyes

Child of the moon

G# Gm Bb7 Eb

Give me a wide-awake crescent-shaped smile...

G# El

The first car on the foggy road riding

G# Eb

The last star for my lady is pining

Bb G#

Oh, child of the moon, bid the sun arise

Oh, child of the moon

G# Gm G# Gm

Give me a misty day, pearly gray, silver, silky faced

G# Gm Bb7 Eb

Wide-awake crescent-shaped smile...
