

E                    A                    E  
So come on, I wanna see you baby, Come on

E                    A                    E  
I don t mean maybe, Come on

E                                  A                    E                                  A  
I m tryin to make you see that I belong to you and you belong to me

E

Come on
