

Dead Flowers
The Rolling Stones

(intro) C G F C

C G F C
 Well, when you re sitting there in your silk upholstered chair,
 C G F C
 Talking to some rich folk that you know,
 C G F C
 Well I hope you won t see me in my ragged company,
 C G F C
 For you know I could never be alone.

G C
 Take me down little Suzie, take me down.
 G C
 I know you think you re the queen of the underground.
 F C
 And you can send me dead flowers every morning,
 F C
 Send me dead flowers by the mail,
 F C
 Send me dead flowers to my wedding,
 C G F C
 And I won t forget to put roses on your grave.

C G F C
 Well, when you re sitting back in your rose pink Cadillac,
 C G F C
 Making bets on Kentucky Derby day,
 C G F C
 I ll be in my basement room with a needle and a spoon,
 C G F C
 And another girl can take my pain away.
