

Dead Flowers
The Rolling Stones

(intro) **E B A E**

E B A E
 Well, when you re sitting there in your silk upholstered chair,
E B A E
 Talking to some rich folk that you know,
E B A E
 Well I hope you won t see me in my ragged company,
E B A E
 For you know I could never be alone.

B E
 Take me down little Suzie, take me down.
B E
 I know you think you re the queen of the underground.
A E
 And you can send me dead flowers every morning,
A E
 Send me dead flowers by the mail,
A E
 Send me dead flowers to my wedding,
E B A E
 And I won t forget to put roses on your grave.

E B A E
 Well, when you re sitting back in your rose pink Cadillac,
E B A E
 Making bets on Kentucky Derby day,
E B A E
 I ll be in my basement room with a needle and a spoon,
E B A E
 And another girl can take my pain away.
