

Dear Doctor  
The Rolling Stones

- C**  
1. Oh, help me, dear doctor, I`m damaged, there`s a pain where there  
**F C Eb F**  
once was a heart. It`s sleeping, it`s beating, can`t you please take it out  
**C G C**  
and preserve it right there in that jar.
- C**  
2. Oh, help me, please, Mama, I`m sickening, it`s today that`s the day  
**F C Eb F**  
of my plunge. Oh, the gal, I`m to marry, is a bow-legged sow,  
**C G C**  
I`ve been soaking up drink like a sponge.
- C**  
3. Don`t worry, get dressed! cried my mother, as she plied me with  
**F C**  
bourbon so sour . Pull your socks on, put your suit on,  
**Eb F C G C**  
comb your long hair down, for you will be wed in the hour.
- C**  
4. = 1 5. I was trembling as I put on my jacket, it had creases as  
**F C Eb F**  
sharp as a knife. I put the ring in my pocket, but there was a note,  
**C G C**  
and my heart it jumped into my mouth.

6. It read, Darling, I`m sorry to hurt you, but I`ve no courage to speak  
**F C Eb F**  
in your face. But I`m down in Virginia with your cousin Lou,  
**C G C**  
and there`ll be no wedding today.

7. Oh, help me, dear doctor, I`m damaged, you can put back my heart  
**F C Eb F**  
in its hole. Oh, Mama, I`m crying tears of relief,  
**C G C**  
and my pulse is now under control
