Dirty Work The Rolling Stones

```
Am
Living high, sitting in the sun
Sit on ass till your work is done
                                             Am
You lazy mother, your hands are clean
You pull the strings and you got the clout
There s something filthy living in your mouth
Pushing your buttons you get away for free
You let somebody do the dirty work
Find some loser, find some jerk
                                             Am
Find some dumb ass, do it all for free
Let somebody do the dirty work
Find some loser, find some jerk
Find some greaseball, yeah
F#m
It s beginning to make me angry
F#m
I m beginning to hate you
                    E

Am
Let somebody do the dirty work
I never see no grease on ya, baby
Never roll ya sleeves up, do ya, never baby
