

**Don't Stop**  
**The Rolling Stones**

INTRO: **G C G C G C**

**G**

Well you bit my lip and drew first blood

**C**

And wore my cold, cold heart

**G**

And your wrote your name right on my back

**C**

Boy your nails were sharp

**G**

Don t stop

**C**

Honey don t stop

**G**

Don t stop

**C**

Baby don t stop

**G**

Well I love your screams of passion

**C**

In the long hot summer night

**G**

But you pepper me with poison darts

**C**

And twisted in your knife

**G**

Don t stop

**C**

Honey don t stop

**G**

Don t stop

**C**

Baby don t stop

**D**

Well the only thing I ask of you

**Am**

Is to hand me back some pride

**D**

Don t you dump me on some dusty street

**Am**

And hang me out to dry

**G**

Don t stop

**C**

Honey don t stop

**G**

Don t stop

**C**

Baby don t stop

Honey

SOLO

**Em**

I m losing you

**C**

I know your heart is miles away

**Em**

**D**

**C**

There s a whisper there where once there was a storm

**Em**

**C**

And all that s left is that image that I ll find a way

**D**

**C**

And some memories have tattered as they ve torn

**G**

Don t stop

**C**

Honey don t stop

**G**

Don t stop

**C**

Baby don t stop

Honey!

SOLO

**G**

Don t stop

**C**

Honey don t stop

**G**

Don t stop

**C**

Baby don t stop.... **G** **C** **G** **C** **G** **C** --> até o fim
