

Don't Stop
The Rolling Stones

INTRO: **G# C# G# C# G# C#**

G#

Well you bit my lip and drew first blood

C#

And wore my cold, cold heart

G#

And your wrote your name right on my back

C#

Boy your nails were sharp

G#

Don t stop

C#

Honey don t stop

G#

Don t stop

C#

Baby don t stop

G#

Well I love your screams of passion

C#

In the long hot summer night

G#

But you pepper me with poison darts

C#

And twisted in your knife

G#

Don t stop

C#

Honey don t stop

G#

Don t stop

C#

Baby don t stop

Eb

Well the only thing I ask of you

Bbm

Is to hand me back some pride

Eb

Don t you dump me on some dusty street

Bbm

And hang me out to dry

G#

Don t stop

C#

Honey don t stop

G#

Don t stop

C#

Baby don t stop

Honey

SOLO

Fm

I m losing you

There s a whisper there where once there was a storm

Fm

And all that s left is that image that I ll find a way

Eb

C#

And some memories have tattered as they ve torn

Don t stop

C#

Honey don t stop
