

Get close ft Elton John
The Rolling Stones

Intro X3: D C

D

Listen, I walk the city at midnight

C

with the past strapped to my back

D

Lately I can't get no sleep,

C

I'm a real insomniac

D

I was chatting with a ghost,

C

wants a hundred and a match

D

Says, I know you got the money,

C

where's the man behind the mask?

Bm **Am** **G**

I wanna get close to you

Bm **Am** **G**

I wanna get close to you

Bm **Am** **G**

I wanna get close to you

D

I walk this way a million

C

times with a blindfold on my eyes

D

It's a nighttime business

C

with an angel in disguise

D

I bargained with the devil,

C

I need heaven for one night

D

I can't stand this chaos,

C

it's churning up my mind

Bm **Am** **G**

I wanna get close to you

Bm **Am** **G**

I wanna get close to you

Bm **Am** **G**
I wanna get lost in you

D **C** **G**
Talk to me, pour your secrets out

D **C** **G**
Tell me I m the only man you ever dream about

D **C** **G**
Talk to me, why don t you scream it out

D **C** **G**
Tell me that you d rather die than live without, live without me
