The telephone is rinin

I say Hi it s me, who is there on the line ?

A voice says Hi hello

He says It s three a.m. there s too much noise

Don t you people want to go to bed

Just cause you feel so good, do you have to

Drive me out of my head

Chorus

I was sick and tired , fed up wth this

and decide to take a drive down town

It was so very quiet and peaceful,

there was nobody, not a soul around.

I laid myself down, I was so tired

and I started to dream

In the morning the perking tickets were just like

flags on my windscreen

Chorus
