And you cause me hurt

And you cause me pain

And you turned the tap

On my burning rage

Gonna leave no trace

Gonna leave this town

In a state of grace

I taught her everything

I taught her how to speak

I taught her all she knows

I taught her how to eat

I half invented her

And now she acts so chic

I taught her everything

But now she s obsolete

(**Bbm**)

I taught her everything
How to read and write
I taught her all she knows
She was a neophyte
I taught her everything
I loved to watch her grow
I taught her everything
And now I want to see her go
I taught her everything

E Eb Bbm

I got a debt to repay

E Eb Bbm

I ain t gonna cry

E Eb Bbm

I put a gun in your face

E Eb Bbm

You re playing with your life

G# Bbm

I taught her everything
I taught her how to cheat
I taught her all she knows
She was so indiscreet
I taught her everything
I taught her how to lie
I taught her everything
I m gonna teach her how to cry

(**Bbm**)
