

Had It With You
The Rolling Stones

Intro (**B E B F# B**)

(**B B4**)

I love you, dirty fucker
Sister and a brother
Moaning in the moonlight
Singing for your supper

E

B

Cos I had it I had it I had it with you
I had it I had it I had it with you

(**B B4**)

You always seem to haunt me
Always try to haunt me
Serving out injunctions
Shouting out instructions

E

B

But I had it I had it I had it with you
I had it I had it I had it with you
I had it I had it I had it with you

(**B B4**)

And I love you with a passion
In and out of fashion
Always got behind you
When other tried to blind you

E

B

But I had it I had it I had it with you
I had it I had it I had it with you
I had it I had it I had it with you

B

It is such a sad thing
To watch a good love die
I ve had it up to here babe
I ve got to say goodbye

E

B

Cos I had it I had it I had it with you
And I had it I had it I had it with you

(**B B4**)

Loved you in the lean years
Loved you in the fat ones
You re a mean mistreater
You re a dirty dirty rat scum

E

B

I had it I had it I had it with you

B

F#

I had it I had it I had it with you

B

I had it with you

I had it with you

E

I had it with you

B

I had it with you

E

I had it with you

F#

B E B F# B

I had it with you
