Honky Tonk Women The Rolling Stones

C# F# 1. I met a gin soaked barroom queen in Memphis, she tried to take me upstairs for a ride. She had to heave me right across her shoulder, cause I just can t seem to drink you off my mind. C# It s the Honky Tonk Women, C# give me, give me, give me the honky tonk blues. C# Strollin on the boulevards of Paris, 2. as naked as the day that I will die. The sailors they re so charming there in Paris, but they just don t seem to sail you off my mind. + REFRAIN C# 3. I laid a divorcee in New York City, I had to put up some kind of a fight. The lady she all dressed me up in roses, G# she blew my nose and then she blew my mind. + REFRAIN + REFRAIN
