Hoo Doo Blues
The Rolling Stones

[Intro]: **C#**

      F#7
Now, when your woman actin funny, and begin to run around

You better get you somebody, put you down
                                     C#
Better let her go, just as quick as you can

        G#7   **C#**
You know that hoodoo girl, she a hoodoo the hoodoo man

      F#7
You know my woman got me on a wonder at somethin I can t understan

Now I look at her runnin with some other man
                                   C#
After all I did, everything in this world I can

[Chorus]
        G#7   **C#**
You know that hoodoo girl, she a hoodoo the hoodoo man

[Solo]: **C#**

   F#7
She take all my money and spend it all over town

when I want to love her, man, she ain t can be found
                                C#
I walk and cry, dryin tears away with my hand

        G#7   **C#**
You know that hoodoo girl, she a hoodoo the hoodoo man
