You ll find out

Slow or fast, slow or fast, all year, all year  
End at last, end at last  
Oh yeah, oh yeah  
Waiting for someone to come out of somewhere  
Waiting for someone to come out of somewhere

Stand up coming years  
and escalation fears  
Oh, yes we will find out

Well, like a withered stone  
Fears will pierce your bones  
You ll find out

Oh we re waiting, oh we re waiting  
All year, all year

Oh we re waiting, oh we re waiting  
All year, all year  
Waiting for someone to come out of somewhere  
Waiting for someone to come out of somewhere

Oh we re waiting, oh we re waiting  
Oh we re waiting, oh were waiting...
