You ll find out

Slow or fast, slow or fast, all year, all year
End at last, end at last
Oh yeah, oh yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere

Stand up coming years
and escalation fears
Oh, yes we will find out

Well, like a withered stone
Fears will pierce your bones
You ll find out

Oh we re waiting, oh we re waiting
All year, all year

Oh we re waiting, oh we re waiting
All year, all year
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere

Oh we re waiting, oh we re waiting
Oh we re waiting, oh were waiting...
