

If You Need Me  
The Rolling Stones

G D  
 If you need me, why don t you call me  
 G C  
 Said if you need me, why don t you call me  
 G D  
 Don t wait too long, when things go wrong  
 Em G D  
 I ll be there, yeah, where i belong  
 G D  
 Said if you want me, why don t you send for me  
 G  
 Said if you want, want, want  
 C  
 All you gotta do is send for me  
 G D  
 Don t wait to long, just pick up your phone  
 Em G D  
 I ll be there, right there, where i belong  
 G  
 People always told me, darling  
 D  
 That you didn t mean me no good  
 G  
 But i know deep down in my heart  
 C  
 I done the best i could  
 G  
 And one of these days, darling, it won t be long  
 D  
 You re gonna come walking through that door  
 Em  
 And i know in my mind these are the very  
 G D  
 Words you re gonna say to me  
 G D  
 I still love you, always thinking of you  
 G  
 I still love, love, love  
 C  
 Always thinking of you  
 G D  
 Don t wait too long, when things go wrong  
 Em G  
 I ll be there, right there, where i belong
