If You Need Me The Rolling Stones

> G D If you need me, why don t you call me G С Said if you need me, why don t you call me D G Don t wait too long, when things go wrong Em G D I ll be there, yeah, where i belong D G Said if you want me, why don t you send for me G Said if you want, want, want С All you gotta do is send for me G Don t wait to long, just pick up your phone G Em D I ll be there, right there, where i belong G People always told me, darling D That you didn t mean me no good But i know deep down in my heart С I done the best i could G And one of these days, darling, it won t be long D You re gonna come walking through that door Em And i know in my mind these are the very G D Words you re gonna say to me G D I still love you, always thinking of you G I still love, love, love C Always thinking of you D Don t wait too long, when things go wrong Em G I ll be there, right there, where i belong
