If You Need Me
The Rolling Stones

```
            G#                        Eb
If you need me, why don t you call me
             G#                  C#
Said if you need me, why don t you call me
             G#                      Eb
Don t wait too long, when things go wrong
        Fm                 G#     Eb
I ll be there, yeah, where i belong
             G#                      Eb
Said if you want me, why don t you send for me
             G#
Said if you want, want, want
                   C#
All you gotta do is send for me
               G#                    Eb
Don t wait to long,just pick up your phone
         Fm                          G#      Eb
I ll be there, right there, where i belong
G#
 People always told me, darling
 Eb
 That you didn t mean me no good
G#
 But i know deep down in my heart
 C#
 I done the best i could
G#
 And one of these days, darling, it won t be long
Eb
 You re gonna come walking through that door
        Fm
 And i know in my mind these are the very
      G#                  Eb
Words you re gonna say to me
          G#                        Eb
I still love you, always thinking of you
          G#
I still love, love, love
                C#
Always thinking of you
             G#                      Eb
Don t wait too long, when things go wrong
         Fm                      G#
I ll be there, right there, where i belong
