

If You Need Me  
The Rolling Stones

**F** **C**  
If you need me, why don t you call me

**F** **Bb**  
Said if you need me, why don t you call me

**F** **C**  
Don t wait too long, when things go wrong

**Dm** **F** **C**  
I ll be there, yeah, where i belong

**F** **C**  
Said if you want me, why don t you send for me

**F**  
Said if you want, want, want

**Bb**  
All you gotta do is send for me

**F** **C**  
Don t wait to long, just pick up your phone

**Dm** **F** **C**  
I ll be there, right there, where i belong

**F**  
People always told me, darling

**C**  
That you didn t mean me no good

**F**  
But i know deep down in my heart

**Bb**  
I done the best i could

**F**  
And one of these days, darling, it won t be long

**C**  
You re gonna come walking through that door

**Dm**  
And i know in my mind these are the very

**F** **C**  
Words you re gonna say to me

**F** **C**  
I still love you, always thinking of you

**F**  
I still love, love, love

**Bb**  
Always thinking of you

**F** **C**  
Don t wait too long, when things go wrong

**Dm** **F**  
I ll be there, right there, where i belong
