If You Need Me The Rolling Stones

F# C# If you need me, why don t you call me Said if you need me, why don t you call me Don t wait too long, when things go wrong I ll be there, yeah, where i belong F# C# Said if you want me, why don t you send for me Said if you want, want, want All you gotta do is send for me F# Don t wait to long, just pick up your phone C# I ll be there, right there, where i belong People always told me, darling That you didn t mean me no good But i know deep down in my heart I done the best i could And one of these days, darling, it won t be long You re gonna come walking through that door Ebm And i know in my mind these are the very Words you re gonna say to me F# I still love you, always thinking of you F# I still love, love, love Always thinking of you Don t wait too long, when things go wrong I ll be there, right there, where i belong
