G A E

And it won t take long to forget you

RIFF

Time it passes fast

G A E

It ll all be over in a minute

RIFF

You ll be in the past

G A E

You can lose the love of a lifetime RIFF

In a single roll

G A B

You can gain a fortune in an instant

RIFF

Or you can lose your soul

E A B

And it won t take long to forget you

E A B

You know I m never wrong

E A B

It ll all be over in a minute

E A B

And it won t take long

INTRO

G A B

And it won t take long to forgive you

RIFF

But it s hard to forget

G A В Cause it seems like it s yesterday The day that we first met G A When you give me a smouldering look and Put out your cigarette G A And I saw you (...) RIFF You wore a pale blue dress Α And it won t take long to forget you You know I m never wrong A It ll all be over in a minute E A And it won t take long E A В Life is short, one look and it s over Comes as quite a shock Α All I got is some memories Α Stuck in an old shoebox And it won t take long to forget you Α

You know I m never wrong E A It ll all be over by Christmas Α В No, it won t take long

It won t take long
