2. I was raised by a toothless, bearded hag,

   I was schooled with a strap right across my back.
```
        E         B        F#             C#
  But it`s all right, now, in fact it`s a gas.

3. I was drowned, I was washed up and left for dead,

   I fell down to my feet and I saw they bled.

   I frowned at the crumbs of a crust of bread

   I was crowned with a spike right thru my head.
```
        E         B        F#             C#
  But it`s all right, now, in fact it`s a gas.
