```
Bm Em G
I hate to be denied
                Bm
                     Em G
How you hurt my pride
               Bm Em G
I feel pushed aside
But laugh, laugh, laugh
         Bm G
I nearly died
Bm
Been travelling far and wide,
wondering who s going to be my guide
Bm
Been travelling far and wide,
wondering who s going to be my guide
            Bm
Living in a fantasy, but it s way too far
But this kind of loneliness, is way too hard
I ve been wandering, feeling all alone
I lost my direction, and I lost my home...well
Em G
                     Em G
                Bm
I m so sick and tired
               Bm Em G
Now I m on the side
              Bm
                   Em G
Feeling so despised
When you laugh, laugh
         Bm G
I almost died
Bm
Been travelling far and wide,
wondering who s going to be my guide
Been travelling far and wide,
wondering who s going to be my guide . . .
