Laugh, I Nearly Died
The Rolling Stones

(**Bm G**)(2x)

```
        Bm                          G
I ve been travelling, but I don t know where
        Bm                            G
I ve been missing you, but you just don t care
          Bm                            G
And I ve been wandering, I ve seen Greece and Rome
          Bm                      G
Lost in the wilderness, so far from home
```

Yeah, yeah

(**Bm G**)

```
          Bm                      G
I ve been to Africa, looking for my soul
              Bm                      G
And I feel like an actor, looking for a role
          Bm                          G
I ve been in Arabia, I ve seen a million stars
                Bm                  G
Been sipping champagne, on the boulevards - yes
```

(**Em G**)

```
              Bm    Em G
I m so sick and tired
                  Bm    Em G
Trying to turn the tide,   yeah
                    Bm    Em G
So I ll say my goodbye
```

Laugh, laugh
```
         Bm    G
I nearly died
```

```
              Bm                      G
I ve been down to India, but it froze my bones
              Bm                  G
I m living for the city, but I m all alone
          Bm                      G
I ve been travelling, but I don t know where
            Bm                      G
I ve been wandering, but I just don t care
```

Em G

```
              Bm    Em  G
I hate to be denied
                     Bm      Em  G
How you hurt my pride

                  Bm    Em  G
I feel pushed aside

But laugh, laugh, laugh
              Bm    G
I nearly died

Bm
Been travelling far and wide,
Em
wondering who s going to be my guide
Bm
Been travelling far and wide,
Em
wondering who s going to be my guide

              Bm                           G
Living in a fantasy, but it s way too far
                     Bm                      G
But this kind of loneliness, is way too hard
              Bm                    G
I ve been wandering, feeling all alone
                  Bm                      G
I lost my direction, and I lost my home...well

Em G

                  Bm      Em  G
I m so sick and tired
                     Bm    Em  G
Now I m on the side
                  Bm      Em  G
Feeling so despised

When you laugh, laugh
              Bm    G
I almost died

Bm
Been travelling far and wide,
Em
wondering who s going to be my guide
Bm
Been travelling far and wide,
Em
wondering who s going to be my guide . . .
```
